Campership Application

2012 Summer Camp Season

Camperships can be requested to assist with fees for:

- Camp Friedlander Boy Scout Summer Camp
- Resident Camp (Cub World)
- Fun with Son (Cub World)
- Cub Scout Day/Twilight Camp

Funding of Camperships:

The Campership program is designed to assist Scouts attending Dan Beard Council camping programs who might not otherwise have an opportunity to participate. Funding is provided through the United Way, Friends of Scouting, and the Order of the Arrow, who believes camping is a primary method of leadership and character development. The major portion of the funding is given to the Dan Beard Council with specific directions to use for in-council camps only.

Campership Availability:

A campership will assist the Scout in payment of camping fees associated with participation in a Council camping experience. ***Camperships may only be used at Dan Beard Council camps.*** Camperships are awarded based on need and a demonstration by the Scout of a desire to earn a portion of the camp fee through service. Camperships must be requested responsibly to ensure that this opportunity is available to as many Scouts as possible.

Application Process:

1. The Cubmaster, Scoutmaster, or Crew Advisor makes application on behalf of the Scout on the attached form. Applications are to be submitted to the Scout Service Center by ***Monday, April 9, 2012.***
2. A statement of need must be completed on the application – this need not be too detailed or revealing, but must satisfy the requirement that the Scout would otherwise not have the opportunity to attend camp.
3. Include a detailed statement regarding the unit's plan to have the Scout "earn" the campership through service. Campership service projects must be in addition to service used for rank advancement. While not required, it is strongly recommended that service be completed at one of the Dan Beard Council camps – this will enhance the Scout's feeling of "earning his way to camp." Suggested service projects include participation in the OA Root Beer float sale or participation in a Camp Conservation Day.
4. Camperships may not be used for National Youth Leadership Training (NYLT), World or National Jamborees, High Adventure treks or district events. Contact your District Executive regarding other sources of assistance for these events.
5. Camperships will only be awarded for the Scout named on the application; units may not apply to reduce overall fees.
6. Campership funds must be requested for each camping experience on a separate application. Applications cannot be grouped together for multiple Scouts or multiple events.
7. ***Campership funds may only be requested for up to 50% of the early registration discount camp fees.*** Allocated funds will be based on funds available, individual Scout need and number of applicants. Requested amounts are not guaranteed.
8. Once the application has been received, the Campership Committee will meet and review applications. A notice of approved camperships will be sent to the Unit Leader by May 7, 2012 by mail.
9. To check on the status of an application, please contact Jennifer Pangallo, Camping Secretary at, (513) 577-7692.
